

Innovation

It only takes one brilliant idea
to revolutionize an entire industry.

Revolutionize your career at BAE SYSTEMS.

We are a company of Innovators. Of thinkers, doers and problem solvers. Adding new people and Ideas to the mix is essential to our success — and to our innovative solutions.

We are a global leader in systems, defense and aerospace because we believe in challenging our selves, never resting on the status quo. The unique talents, knowledge and experience of every one of our employees contribute to new thinking and new applications of technology.

BAE SYSTEMS North America now employs a diverse workforce of more than 22,000 people across 30 states. We're looking for others who are ready for the challenge, and more importantly, are committed to searching for that one brilliant idea that changes everything. EOE, M/F/D/V.
